Justin,
I cannot access it. I would like to give to our water resources people.

Subject: Minden wetlands

Hi Jake,

Here is the report prepared for last month's wetland delineation in Minden. As you can see, some of the wetlands are in close proximity to the proposed sewer line route. I am not sure whether this would have any implications for permits, etc., but I wanted to make WVDEP aware. Please let me know if you have any questions.

Thank you,
